MOMENTS AND MEMORIES

The theme of this year's AMULET "Moments and Memories" was chosen to emphasize that our live are composed of many remembered bits and pieces of the precious time spent in the many and varie activities of the school years.

A new year begins new moments. The distribution of the AMULET brought together old friends giving them an opportunity to relive the past year.

As seasons change, so do the experiences that will one day be memory. Homecoming, Spirit Week Twrip Week, and Prom will all be things of the past that will be always relived in memory.

Many moments have brought pride and happiness to Limestone. The girls' basketball team brought t Limestone something that had been missing for a long time — pride — with their regional champion ship and outstanding season. Greg Neilson received a fourth place rating for prose at the State Speech Finals. Dale Christner wrestled his way to the State Championship meets, and Jeff Johnson was name Business Student of the Year.

It takes a lot of time and effort, determination and talent to produce a Madrigal dinner and a Spring Musical. For those who worked to make these events successful, their rewards are greatest.

Graduation is both a beginning and an ending. Ending something that was a great part of our life i difficult, and remembering this may bring a tear. Ending is final. When a Senior takes his last strol through the halls, a rush of memories will flood his mind. He will always remember his high schoo days, but Graduation is an ending and a beginning. New doors have been opened, new paths found There is always hope in the future.

Memory makes these moments of the past seem not so far away. They are kept in the back of ou minds where they are hidden until a keepsake or souvenir stirs them to the present. Memory bridges th past with the future.

The AMULET staff has captured a few of the many moments on film so that in the future they ca bring back the memories from our high school years.

Wonderful

Limestone High School's auditorium was the setting for the beginning of the 1976 Homecoming, "The Wonderful World of Disney." Thursday evening was the first night of the variety show and the crowning of the queen and her court. Debbie Herrmann reigned over the festivities as queen while attendants Lanell Legaspi, senior; Cecilia Williams, junior; Lynn Chioni, sophomore; and Tami Beckman, freshman; served as her court.

The following night, Friday, the variety show was repeated. The bonfire was held immediately after the show. During the bonfire, speeches were given by Mr. Zaeske and Mr. Fuson. The winners of the filler act competition were announced. Sue and Co. received second place and a twenty-five dollar prize. First place went to Getting Together With Sound, with thirty-five dollars as their prize. The junior skit, Snow Blue and White and the Seven Dorks, won first place in the skit competition.

Saturday arrived with rain and disappointment. The 41 unit parade was cancelled. However, the weather did clear up before the two o'clock game. The parade committee took advantage of the clear sky at halftime and the class floats and some of the cars circled the track. During halftime activities it was announced that the seniors won first place in the float competition. Key Club won the car contest. Limestone lost the game 56 to 14.

Although the Rockets did suffer a defeat in the afternoon, the 1976 Homecoming dance, "Cinderella's Ball," ended the week successfully.

The picture in the background is of Laura Shackelford creating the backdrop used for the variety show.

Pete Hinrichs and Mike Parker represented Jimmy Carter and Gera Ford in their rendition of the presidential debates.

Float Competition Creates Excitement

The Seniors won first place for their float "Pinocchio."

The Juniors said "Pooh on the Knights" with their float.

Mickey Mouse influenced the Sophomores' choice for a float theme.

The Freshmen's first entry showed their originality.

Float building has been a tradition of LCHS Homecoming week. Students spend up to two weeks constructing and stuffing their floats. This year's theme "The Wonderful World of Disney" held many ideas. The Seniors won first place for their float, "Pinocchio Nose We're No. 1." Although only one class can win first place, all the floats show the students' creativity and originality.

Juniors and Seniors Tie for First

The Senior guys, Mike Hoopingarner, Russ Jeagle, Paul Rosenbohm, Marty Miller, Bert Sanders, Paul Thienert, and Robert Blase led the Seniors to a victory over the Sophomores and the Juniors in the tug-of-war.

Senior Look to the Future

The upperclassmen faced their final year at Limestone with all the hopes and fears their everchanging world brought to them. Parting from ol friends was painful but the excitement of beginning a segment of life in new surroundings raised many quivering chins.

Choosing colleges, taking aptitude tests, and planning future careers formed a part of every senior's life which could not be ignored or taken lightl Responsibility made seniors face the world around them.

Senior life was not all work and no play. During Homecoming activities, Debbie Herrmann was chosen queen. Lanell Legaspi was Senior attendan The Senior float won the first place rating.

Guiding them through their last year were class advisers Mrs. Fulk, Mr. Shaughnessy, Mr. Stanko, and Mr. Wittmer.

1977 Prom, "Colour My World"

Cami Gabelhausen and Rick Ingram Prom Queen and King of 1977.

This year's Prom was held at the Continental Regency Ballroom, Saturday, April 30.

The 1977 prom theme was "Colour My World." The dinner was held in the Continental Regency Ballroom, followed by the crowning of the queen and king. The 1977 prom royalty were Cami Gabelhausen, queen and Rick Ingram, king. The nominees were Chris Johnson, Carol Rapp, Cheri Phillips, and Kathy Schuster; for king; Keith Borland, John Grebe, John Mammen, and Larry Thomason.

The band performing at the Prom was called Utopia. All in all the Prom was again a success.

"Colour My World" was sponsored b the Junior class and Class advisors: Mr. Burlison, Mrs. McNeely, Mr. Schuett, and Miss Sullivan.

Kim Hurley crowns the new excited Prom Queen Cami Gabelhausen.

Second Year Well Done

Miss Schmitt lends a helping hand for the Sophomore float.

During this past year the Class of '79 had many new and different challenges. With our great class sponsors, Miss Schmitt, Mrs. Combites, Mrs. Blair, Mr. Mattewson and a lot of hard work and determination, our year was completed very successfully.

Along with our class officers, the Sophomore class representatives for Student Council did an outstanding job. They earned $160 sponsoring an after-game dance and won $100 by collecting canned goods by calling on neighborhood stores for Care Week. For prom next year they tried to create as many moneymaking projects as possible. We'll have the best prom ever!

Again, if the enthusiasm continues as it has through these past two years, the Sophomore class will have ended the year achieving much.

Just sitting here remembering
My very first day in school
I was so lonely and frightened,
While everyone else seemed cool.
Rooms and halls were all mixed up,
I couldn't find my way.
I wandered around like a little lost sheep
Until the end of the day.
Now I look back on that day long ago
With a smile upon my face,
Thinking of all the others
Who will one day take my place.

This year's Freshman Class will have a lot to remember. Starting the year off right, Tami Beckman was chosen attendant for the Homecoming urt. They showed their concern for the outside world by coming into first place during Care Week. And their spirit during Spirit Week was outnding.

Leading them through their first year was their class officers and Class Advisors: Miss Shipp, Miss McLaren, Miss Best, Mrs. Fairbank and Mr. mp.

Varsity Football Opens and Closes Season With Victories

Spurred by new assistant coach Drach and led by Most Valuable Back, George Vallance, and Most Valuable Lineman, Bill Kohal, the Rockets finished the 1976 football season with a record of 2 wins and 8 lossses. The Rockets were plagued with injuries as Mark Stewart and Greg Prichard were forced out of play and the team had to retreat to the second string backfield. This year's record is not very descriptive of our season. This team showed real incentive and played the best football this school has seen in a long time. Unfortunately several mistakes lost well-played games for the Rockets.

The Freshman Football Team ended a fine football season, compiling a 7-3 record. Coaches Marry and Pippin directed this year's team to one of its finest seasons.

This squad consisted of many talented players including linemen Dave Stewart and Vince Delgadillo; quarterback Rob Schmidt; and halfbacks Pete Kasap and Brett Slater. If these athletes are an indication of future teams, Limestone will soon become a conference contender.

Coaches Marry and Pippin did a fine job this year.

Kim Hurley placed third in all three events for a total of nine points. This won 9th place in the state. This is the first time in the five-year history of the girls' state track meet that a Central Illinois school has placed in the top ten teams. With the exception of Kim, who will be a big loss, the entire team will be returning next year.

Faculty Bids Farewell to Mrs. McCraith

Friends gave Mrs. McCraith semi-precious beads for going away gift.

Mrs. McCraith glances over her many memories at Limestone.

Mrs. McCraith receives a well deserved hug from Mrs. Buzbee.

Teachers celebrate with Mrs. McCraith on her last day.

Mrs. McCraith came to Limestone High School in 1957 as a home economics teacher. In 1967 she was promoted to Dean of Girls, a post which she held for four years, only to be promoted again in 1971 to Guidance Director. In addition to heading the entire guidance department, she also did an outstanding job as advisor of the Red Cross Club, Usherettes, and Consultant to the Junior Class. Her presence in these clubs as well as the guidance department will be greatly missed.

On behalf of the entire student body and faculty at Limestone, the Amulet staff would like to wish Mrs. McCraith a fond farewell and many happy years in her retirement.

Twenty-three years of service to Limestone High School came to a sudden and tragic close with the death of Mr. Joe Wilkerson on August 8, 1976. Mr. Wilkerson, who had taught in the Industrial Arts department at Limestone High School since the opening year of its operation, was killed in a traffic accident in New Jersey while there to attend a conference. His contributions to education, his service to the community, and his values as a man will be greatly missed.

Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

— Tennyson
